

CALL FOR PAPERS

Natural Gas ODORIZATON

CONFERENCE & EXHIBITION
INCLUDING NON-CONVENTIONAL GAS, LNG & LPG

HOUSTON, TEXAS

August 27-28, 2019

This two-day technical conference will cover all aspects of gas system odorization, from the basics to new technologies, system monitoring and measurement, formulations, case studies, practical application, troubleshooting, regulatory compliance, and legal/liability aspects.

The conference program will include technical papers written and presented by an international panel of experts. Topical roundtable sessions will also be featured each day. **Prospective authors and speakers are invited to send brief abstracts by mail or e-mail to the organizing committee:**

Odorization Conference Committee
c/o Clarion
3401 Louisiana St, Suite 110
Houston, TX 77002 USA
