CLARION TECHNICAL CONFERENCES
WELCOME LETTER

Since 1989, attendance at the annual PPIM Conference in Houston has grown from a few hundred to almost 3,000, including a commercial Exhibition that began with a handful of specialized solution-providers and which now involves more than 160 companies and industry organizations from more than 25 countries.

In parallel with the demands for greater pipeline safety, reliability, and efficiency – and the explosive growth in the market for technologies to help meet those demands – PPIM has evolved to become the industry’s primary forum for reporting new developments and field experience, and for showcasing the relevant tools and systems. It is the place where the needs of pipeline operators and the capabilities of service and equipment suppliers intersect.

Information-exchange at PPIM is supported by a range of educational technical courses which take place in advance of the conference and exhibition. Led by a distinguished faculty including the world’s top experts, the courses provide a foundation for well-informed inquiry and dialogue among industry colleagues, clients and contractors.

We take great pride in the fact that more than 50% of our conference delegates are “repeat attenders,” and more than 90% of our exhibitors return each year. We hope you’ll be among them at PPIM 2019 and look forward to seeing you there.

**ENHANCE YOUR EVENT COVERAGE**

*Pipelines International* magazine is the media partner of the PPIM 2018 and will be distributed at the event – making it the perfect way to enhance your event coverage.

In addition to being distributed at different points throughout the exhibition, the magazine will be included as part of delegates' conference material, making it the perfect supplement to the face-time you will be spending with attendees at your booth.

*Pipelines International* is offering discounted advertising rates for companies that choose to exhibit at the event. Simply make this selection on your booking form on the last page of this brochure.

**ABOUT PIPELINES INTERNATIONAL**

The magazine’s readership is made up of a diverse range of industry professionals from around the world, and this is reflected in the pages of the magazine, which include project and construction updates, machinery and equipment reviews, and more detailed information about the latest engineering issues.

The combination of highly relevant content and accessibility of information makes advertising in *Pipelines International* a cost-effective way to reach your target audience.

TERMS AND CONDITIONS

Each unit of 10 x 10 ft space booked will include two complimentary booth worker registrations. Your exhibition will be subject to the height, weight and other safety restrictions imposed by the venue. If you are uncertain about these, it is your responsibility to check with the organisers before confirming your booking. You will be responsible for insuring any equipment as well as providing public liability insurance. The venue or the government may from time to time impose restrictions and regulations relating to sale or consumption of food or alcohol, health and safety, insurance or any other matter. All exhibitors will be required to comply with any such restrictions and regulations at their own expense. For bookings prior to November 1, 2018: a deposit of 20% must be received within 14 days of booking in order for us to hold your space. The balance must be paid no later than December 3, 2018. Payment for bookings made on or after November 1, 2018 is due in full on receipt of invoice. Cancellations must be received on or before December 3, 2018 and will be refunded less the 20% deposit. Cancellations received after December 4, 2018 are non-refundable. All cancellations must be submitted in writing.

This prospectus and booking form is valid as of April 2018.
