

CALL FOR PAPERS

Natural Gas ODORIZATON

CONFERENCE & EXHIBITION
INCLUDING RNG, LNG & LPG

HOUSTON, TEXAS

August 30-31, 2022

This two-day technical conference will cover all aspects of gas system odorization, from the basics to new technologies, system monitoring and measurement, formulations, case studies, practical application, troubleshooting, regulatory compliance, and legal/liability aspects.

The conference program will include technical papers written and presented by an international panel of experts. Topical roundtable sessions will also be featured each day. Prospective authors and speakers are invited to send brief abstracts by mail or e-mail to the organizing committee:

Odorization Conference Committee
c/o Clarion
2715 Houston Avenue
Houston, TX 77009
Tel. +1 713 416 9546
e-mail: NGOC@clarion.org

The deadline for abstracts is **May 10, 2022**.

Final papers for publication in the conference proceedings will be required by **August 2, 2022**.

Further details of the conference and its associated technical exhibition will be posted on the conference website:
