VIRTUAL EXHIBITORS (\$500)

As a 'virtual exhibitor' your company will be listed in our interactive **Products & Services Directory** which includes all of the benefits and features listed below.

- A listing in the Products & Services Directory area of the portal, including customizable lead generation questions and the ability to upload up to two videos and three brochures/PDFs
- Lead attendees and visitors to your pigging and integrity solutions via PPIM's dynamic index of specialized products and service terms. Set pointers to your listing by choosing from 100 different categories and terms. See page 7 for the list.
- All uploaded documents will be featured in the event 'Resource Gallery' - See page 6.
- Access to the virtual Meeting Hub, where you can connect with all event attendees
- The PPIM Directory will become permanently accessible to the public via the Clarion website after the event, so that your listing and other associated videos and documents will have year-round exposure.
- Post-event attendees list (without contact information).

You will be provided with a detailed manual containing simple instructions on how to set up each component mentioned above after you have booked your listing.

PRODUCT & SERVICES DIRECTORY EXAMPLES

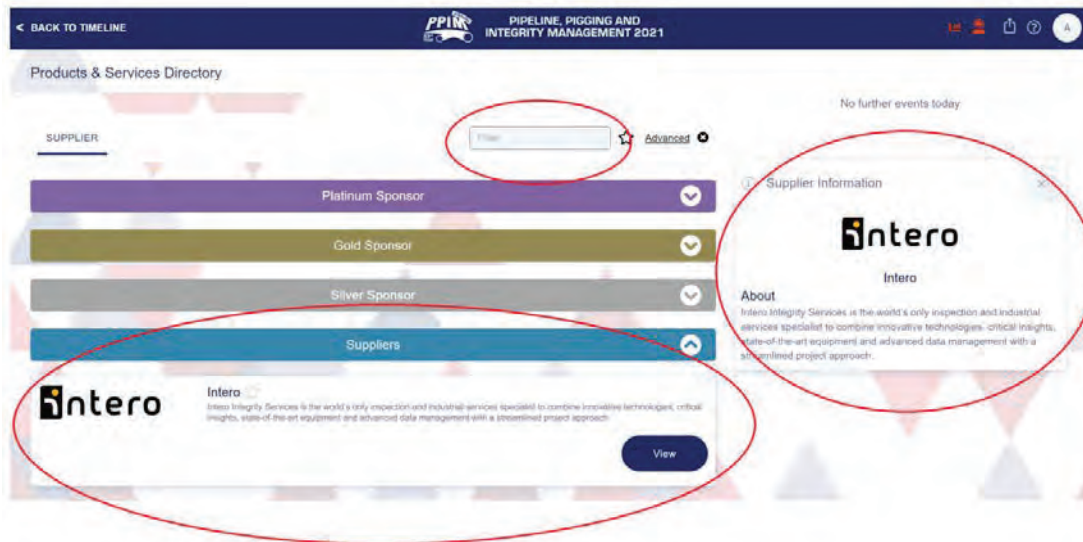

The Products & Services Directory will be easily accessible from all areas of the virtual event portal; it will be featured at the top of the agenda for each day and at the top of the right-hand side panel.

Within the Products & Services Directory, your company listing will appear under 'Suppliers'. Companies will appear in alphabetical order, and visitors will also be able to search for companies by company name AND by your selected products and services.

By clicking on your company name, visitors will see more information in the right-hand panel. By clicking 'View' visitors will be taken to your full company profile (see example image on next page).
